Measurement Report FY 2017

This document is being presented as the Measurement Report for the Auburn Local Development Corporation (“ALDC” or the “Corporation”) Fiscal Year ending 12/31/2017 in compliance with the New York State Public Authorities Law (“PAL”) Section 2824-a and the NYS Public Authorities Accountability Act (“PAAA”). The goal is to provide a written assessment of ALDC’s efforts to accomplish the Corporation’s goals and objectives outlined in the adopted Mission Statement and to identify proactive, positive actions for continuous improvement in areas where these goals and objectives have not been fully realized. A full copy of the ALDC Mission Statement is available online at: <http://www.cayugaeda.org/aldc/>. The adopted goals and objectives to be measured against are as follows:

Performance Goal #1:

Actively assist at least one development project each year that has an impact on quality of life in the City of Auburn.

Performance Measurement: ALDC did not successfully meet this performance goal in FY2017 as it did not assist in any development projects within the City of Auburn. However, ALDC has continued exploring potential projects around housing and a public-private partnership that would construct a new Public Safety Complex. ALDC is exploring changing from a 501c4 to a 501c3, which would open more opportunities to be of benefit to the community.

Performance Goal #2:

- **Explore and research new opportunities to impact quality of life in the City of Auburn.**

Performance Measurement: ALDC is exploring new opportunities to act as a passthrough for grants to businesses or developers, and has remained in touch with Home Headquarters regarding the possibility for collaborating on some neighborhood development.
